Dear Kiran Chelluri:

Welcome back to the most exclusive club in business! On behalf of all of us at Inc., I am delighted to inform you that Chelsoft Solutions has earned the position of No. 3,962 on the 2020 Inc. 5000.

As you know, every year Inc. recognizes the fastest-growing private companies in America. This year, the winners have, once again, placed the bar very high. Companies that made the list have grown, on average, sixfold since 2016. During a stretch when the economy grew around 15 percent, that's a result most businesses can only dream of.

But you've lived that dream before. This is your sixth time on the Inc. 5000, which is a truly extraordinary accomplishment. Needless to say, making the list gets harder every year as your starting base grows. Of the tens of thousands of companies that have applied to the Inc. 5000 over the years, only a fraction have made the list more than once. A mere two percent have made the list 6 times.

Congratulations to you and your team. You should be proud of all Chelsoft Solutions has achieved to date.

While circumstances won't allow for an in-person Inc. 5000 Conference, we will celebrate! I hope you'll join us at a specially built weeklong digital event in your honor beginning on October 19—the Inc. 5000 Vision Conference. You've earned the right to celebrate!

Sincerely,

Scott Omelianuk
